

Transit Van

14 PASSENGERS | 14 Bags

There is no better way to transport passengers than in a passenger van for a corporate event, special events, or to the airport.

They provide plenty of room for both the passenger and all their luggage. Getting in and out of the Transit van is easy thanks to the power-sliding door, and it has two large back doors to make loading and unloading your cargo easy. Keeping the interior cool and providing your VIP clients with the ultimate privacy is made possible by the dark tinted windows.
